

Wireless Communications Seminar Tour

5G TECHNOLOGY UPDATES

21st MAY, 2024

INFOLINE

- > 21st May, 2024
- > between 2.00 and 7.00 pm
- > at Conference room Emilio Gatti, Politecnico di Milano

for registration:
[CLICK HERE](#)

Discover the latest updates in the world of wireless communications from test and measurement experts. Discover more on 5G evolution towards 6G, including O-RAN ecosystem. Rohde & Schwarz and the Politecnico di Milano have the pleasure to invite you to the 5G Seminar.

In particular we will talk about:

- **5G Advanced Release 18** and its transit to 6G
- **Research Activities on 5G/6G** Technologies and networks
- **Open-RAN:** radio unit developments and energy efficiency
- **Research activities** on Open-RAN and programmable networks

PROGRAM

| | |
|--------------|---|
| 2:00-2:30 pm | Registration |
| 2:30-2:45 pm | Introduction |
| 2:45-3:30 pm | 5G Advanced Release 18 and its transit to 6G Meik Kottkamp, Technology Manager, Rohde & Schwarz |
| 3:30-4:00 pm | Research Activities on 5G/6G Technologies and networks Francesco Linsalata, Politecnico di Milano |
| 4:00-4:30 pm | Coffee Break |
| 4:30-5:15 pm | O-RAN: radio unit developments and energy efficiency Melanie Mauersberger, Product Manager, Rohde & Schwarz |
| 5:15-5:45 pm | Research activities on Open RAN and programmable networks Eugenio Moro, Politecnico di Milano |
| 5:45-6:00 pm | Q&A |
| 5:45-6:00 pm | Demo & Cocktail |
