# A poster for the CAE

19 October 2015

## CAE

INTERNATIONAL

POSTER AWARD

Poster Award 2014 | Awards Ceremony

For the fourth year in a row, EnginSoft champions and sponsors the "Poster Award" at the International CAE Conference - held at Pacengo del Garda (Verona) on October 19th and 20th 2015; a contest dedicated to recognizing the use of CAE technologies, using creatively illustrated posters.

EnginSoft's continued commitment and interest acknowledges the importance in disseminating the culture of simulation.

The purpose of the contest is twofold:

♦ offering **recognition of excellence and innovation** to projects developed in the academic field,

♦ as well as, bridging a **valuable meeting opportunity between the academic** and the industrial world.

## REQUIREMENTS

### Participation is free.
The contest is open to **students, graduates, researchers**, and / or faculty members such as **professors** from Universities and Research Centers.

### Poster guidelines
Each entrant may submit a study / research / project / case study of any subject area or industrial sector, where one or more CAE simulation software, commercial and / or open source, has been used.

The Poster must contain the following information:

♦ Title of the project / research;

♦ Targets of the project / research;

♦ Results obtained;

♦ Universities and partners involved;

♦ Author / authors of the poster.

### Poster dimension
Posters are to be submitted in English, and are required in the following dimensions and format: width 70 cm, height 100 cm, pdf format at 150 dpi.

**Submission Deadline:**
September 30th, 2015

**Contest date:**
October 19th, 2015

**Contest location:**
Pacengo del Garda (Verona) - Italy

## Prizes
The author of the successful posters (or in case of multiple authors, their representative) will have complimentary access to all of the event initiatives, across the two days of the International CAE Conference, courtesy of EnginSoft.

Furthermore, the 5 winning posters will be awarded with a smartwatch as a prize.
